

*Supporting Engaged Readers and Writers in the Workshop Model Course*

Assignment for Lesson 7:

1. What have you noticed about the mindset your students have? How will you work to build upon or shift their mindsets?
2. How does the language used with students impact them? What shifts in your language do you want to work towards?

---Continued below---

3. List a phrase you often use that you want to let go of.

4. Write how you will revise that phrase.
