

*Be prepared to discuss the following questions at our WEEK 1 Live Session.*

**What is your district/team doing now to answer the following questions?**

1. What is the behavior telling us about the child?
2. What patterns exist to help us prevent and anticipate behaviors?
3. What's happening to the child when s/he is exhibiting escalated behavior and how can we help?
4. What is the child experiencing during moments of escalated behavior in mind and body?
