

Middle School Neurodiversity Text Set

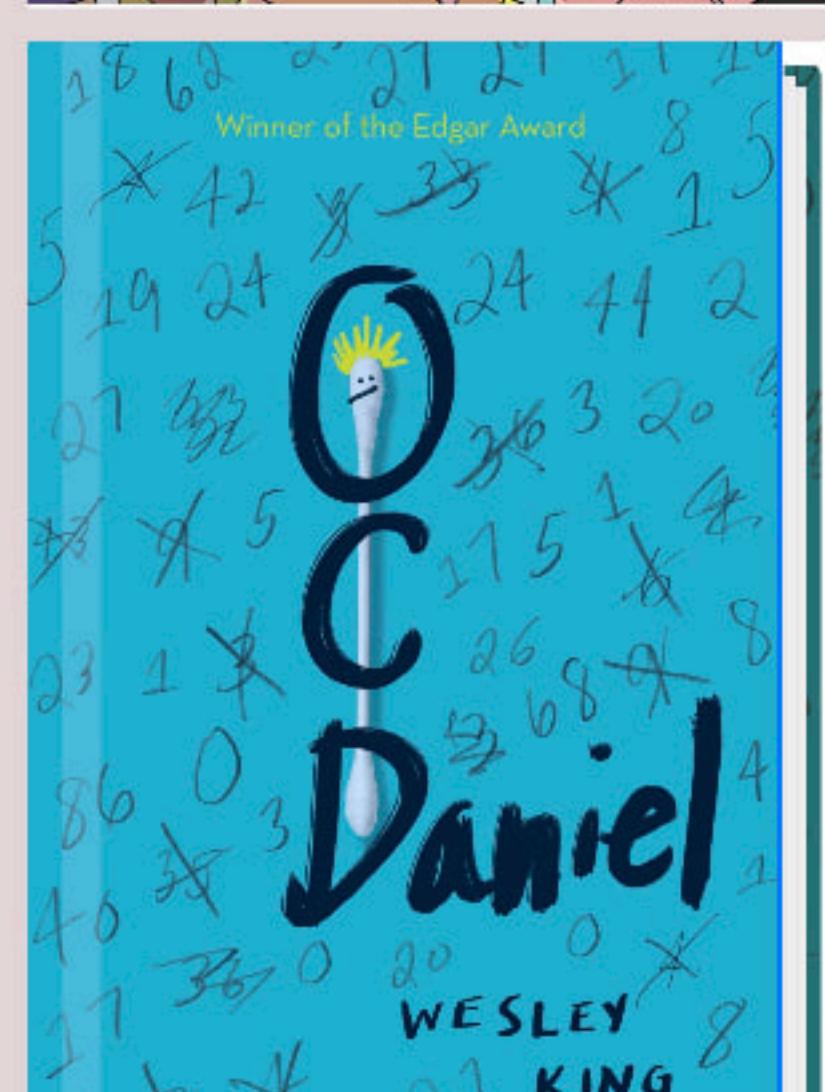

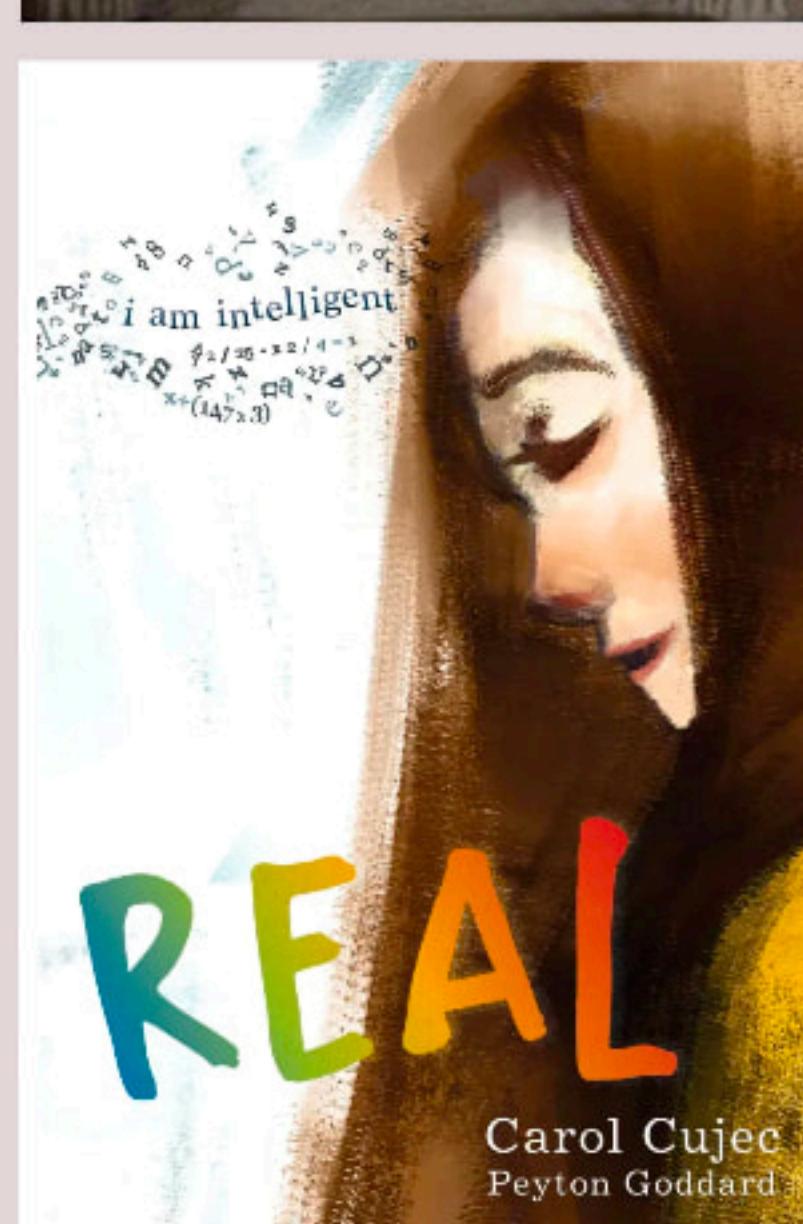

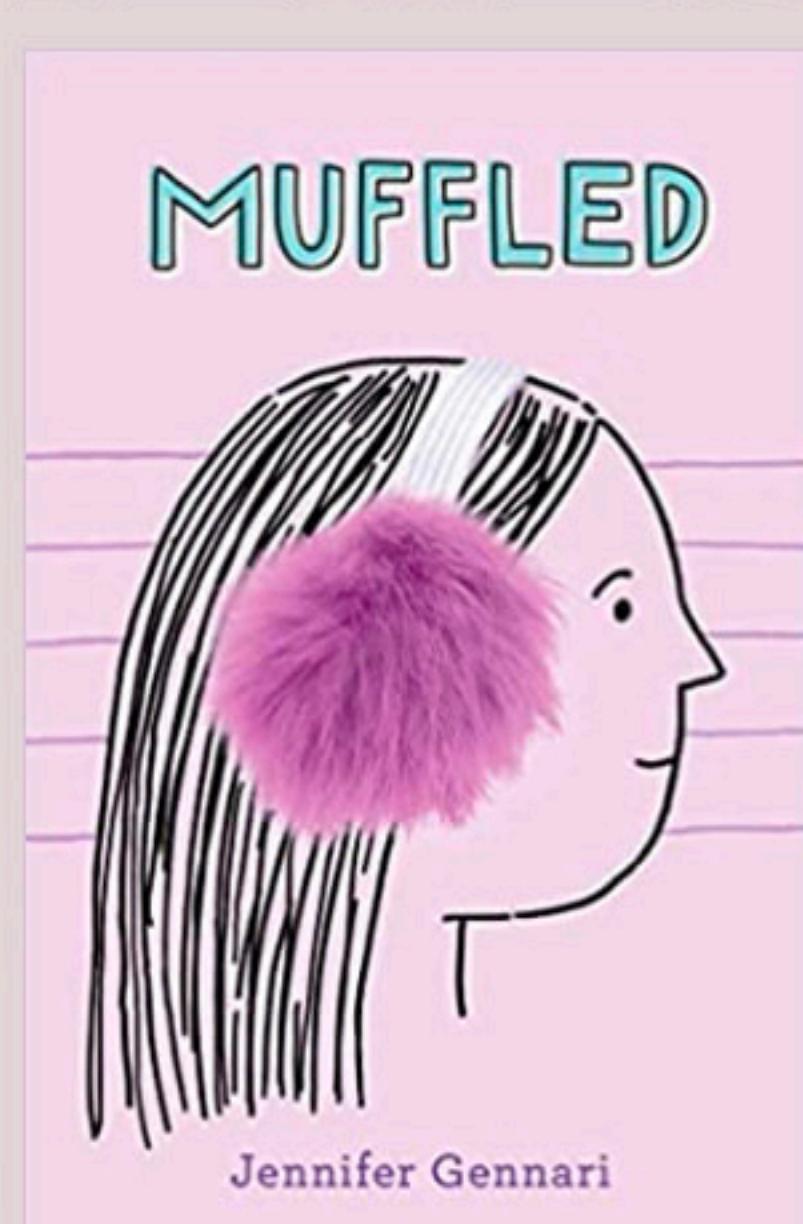

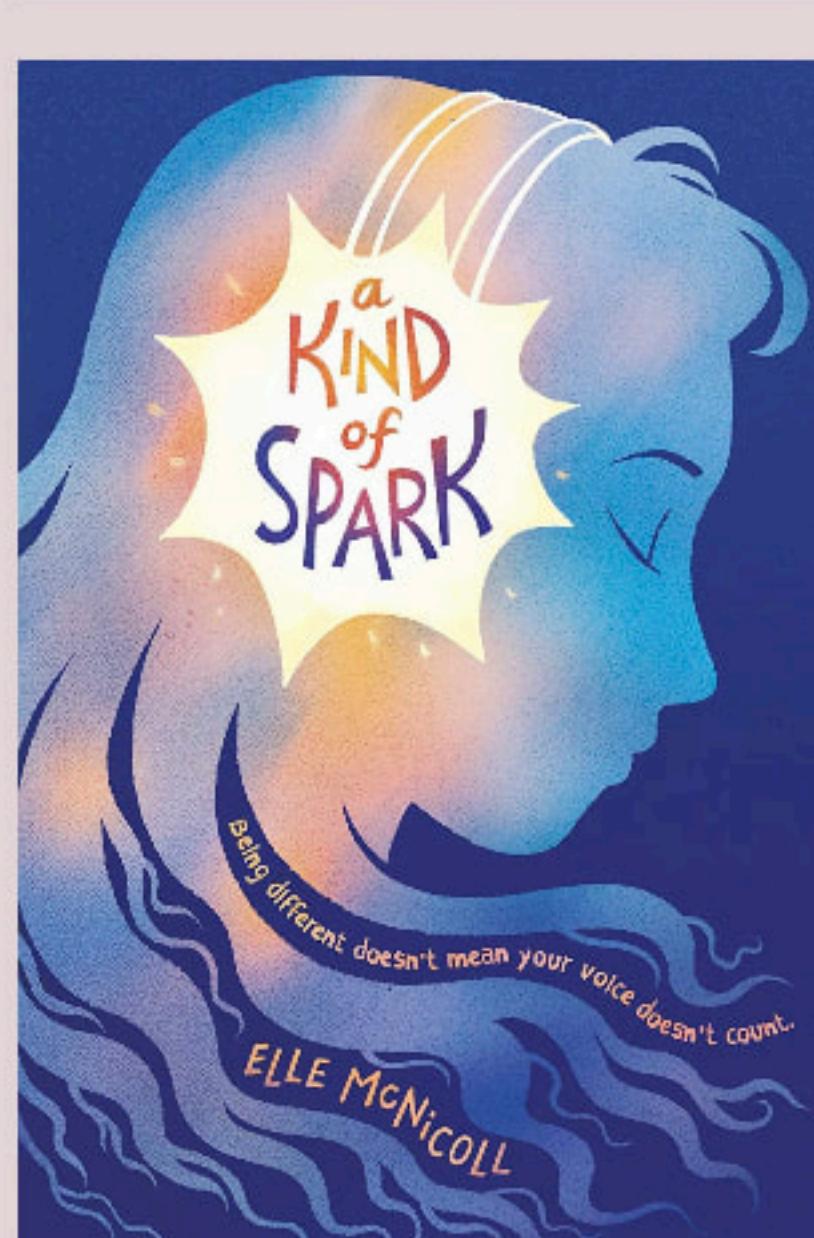

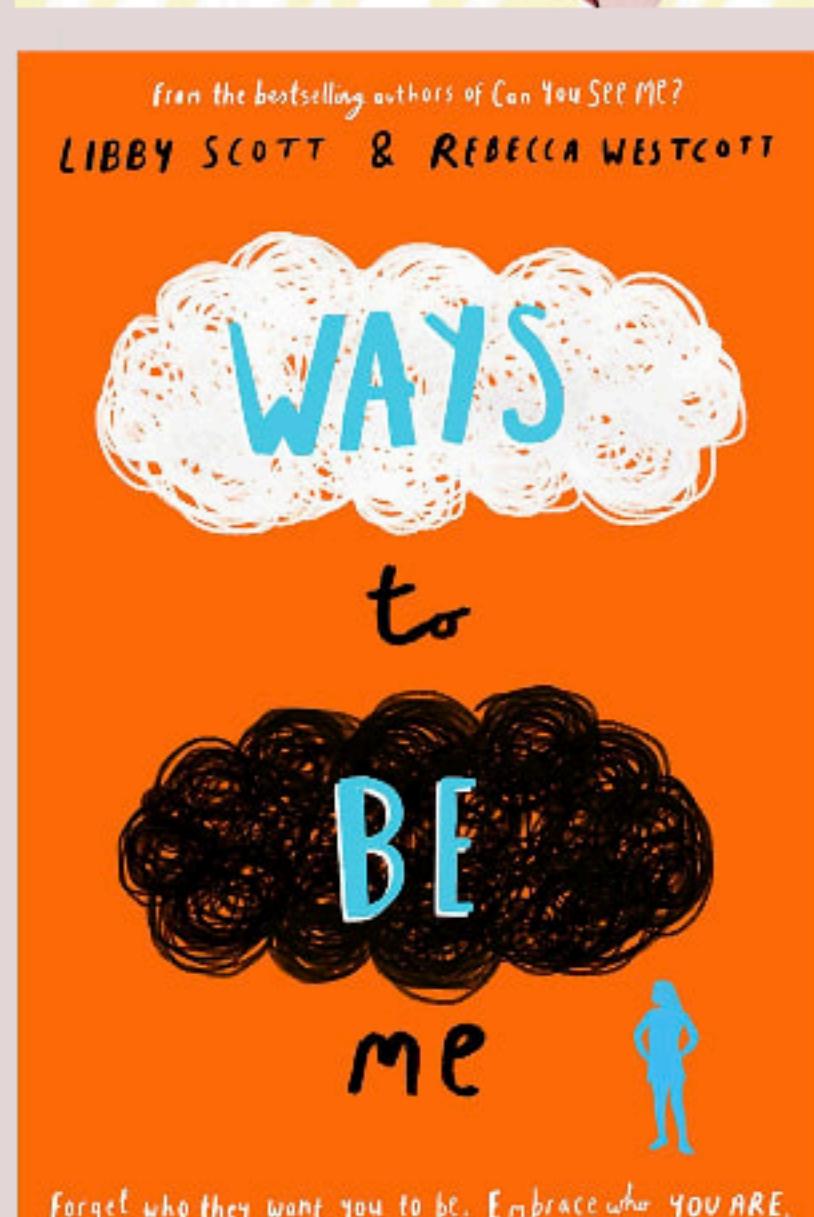

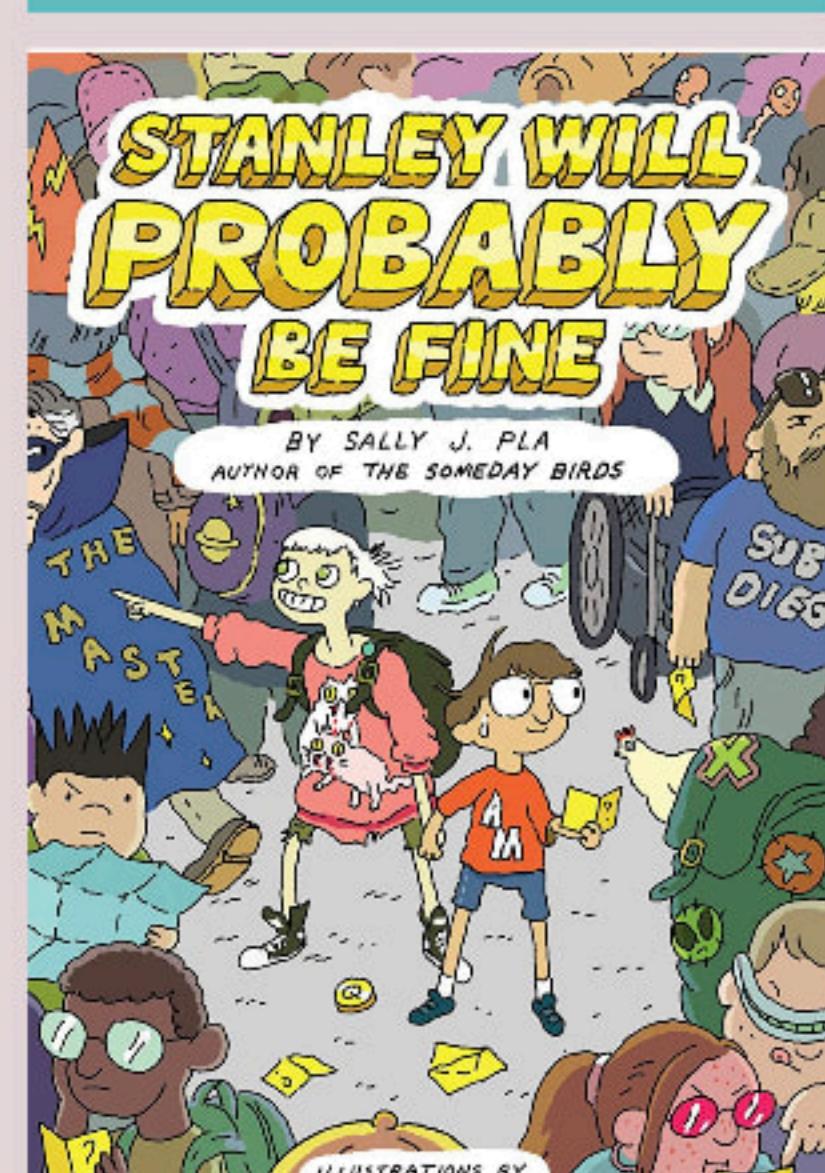

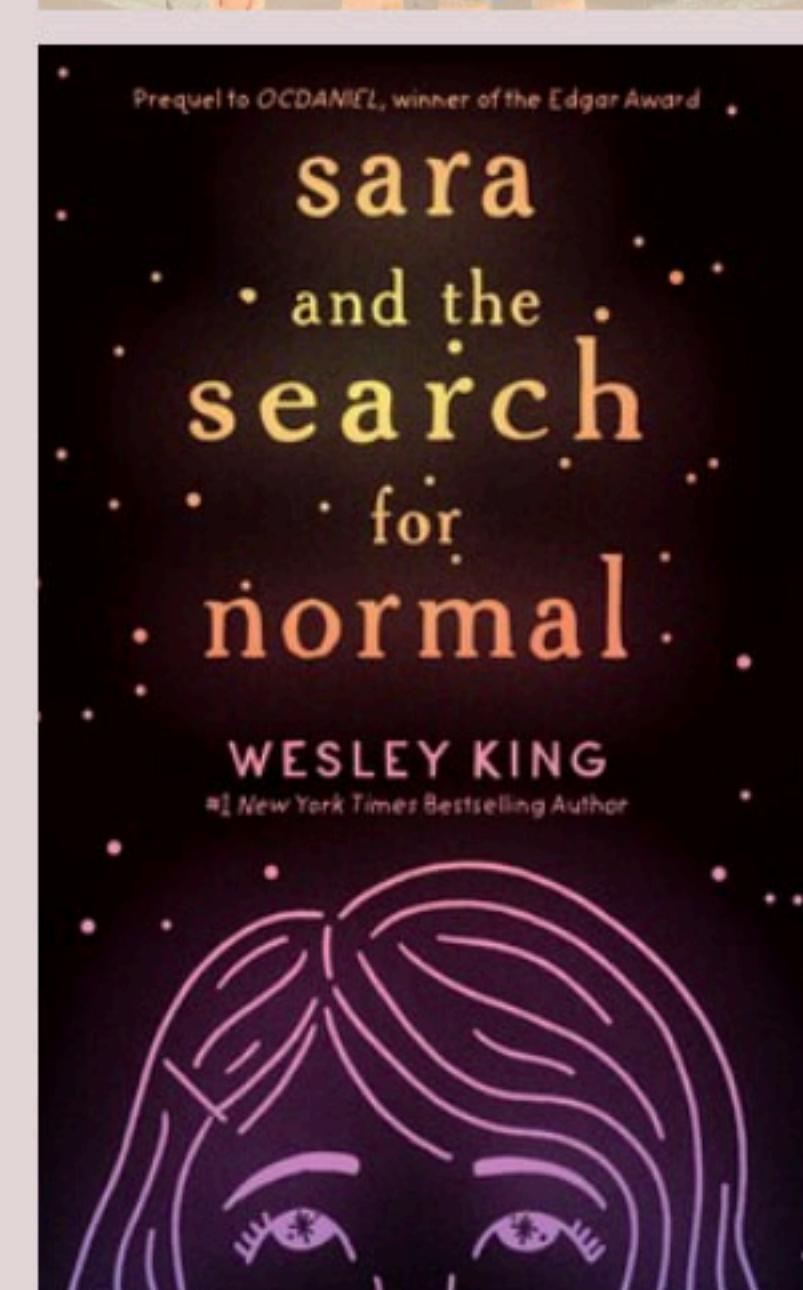

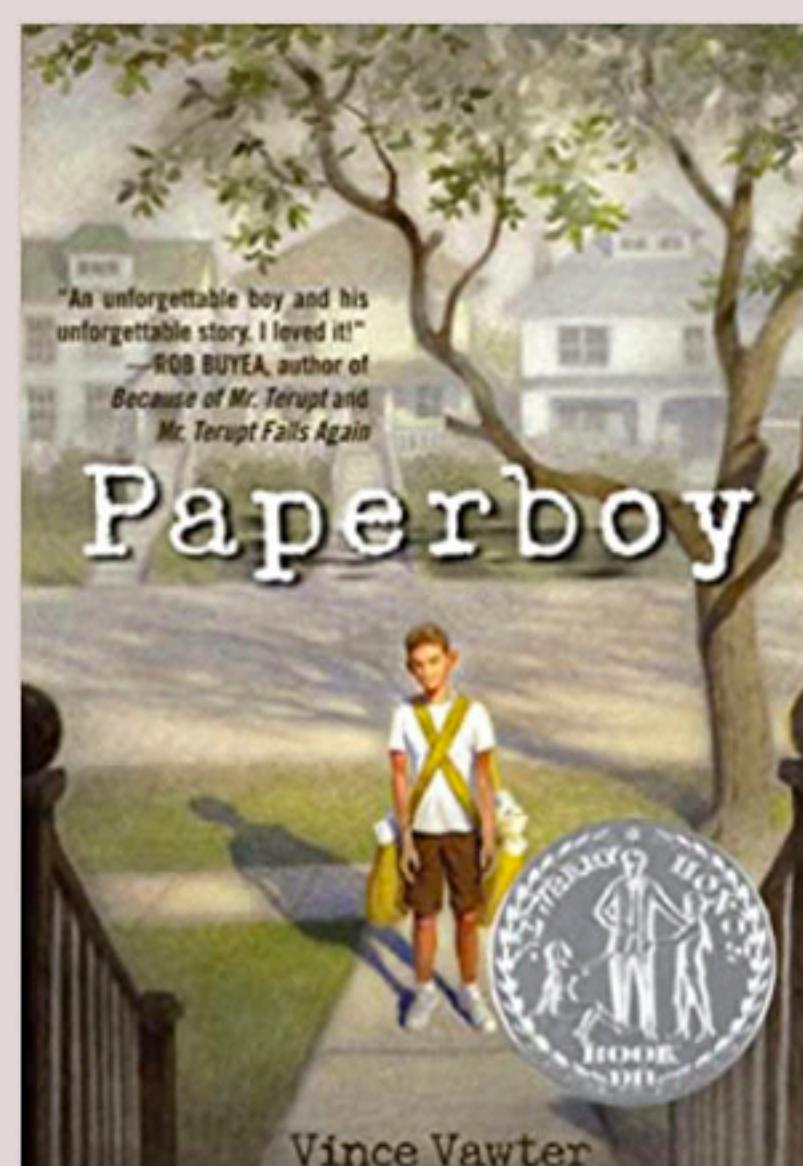

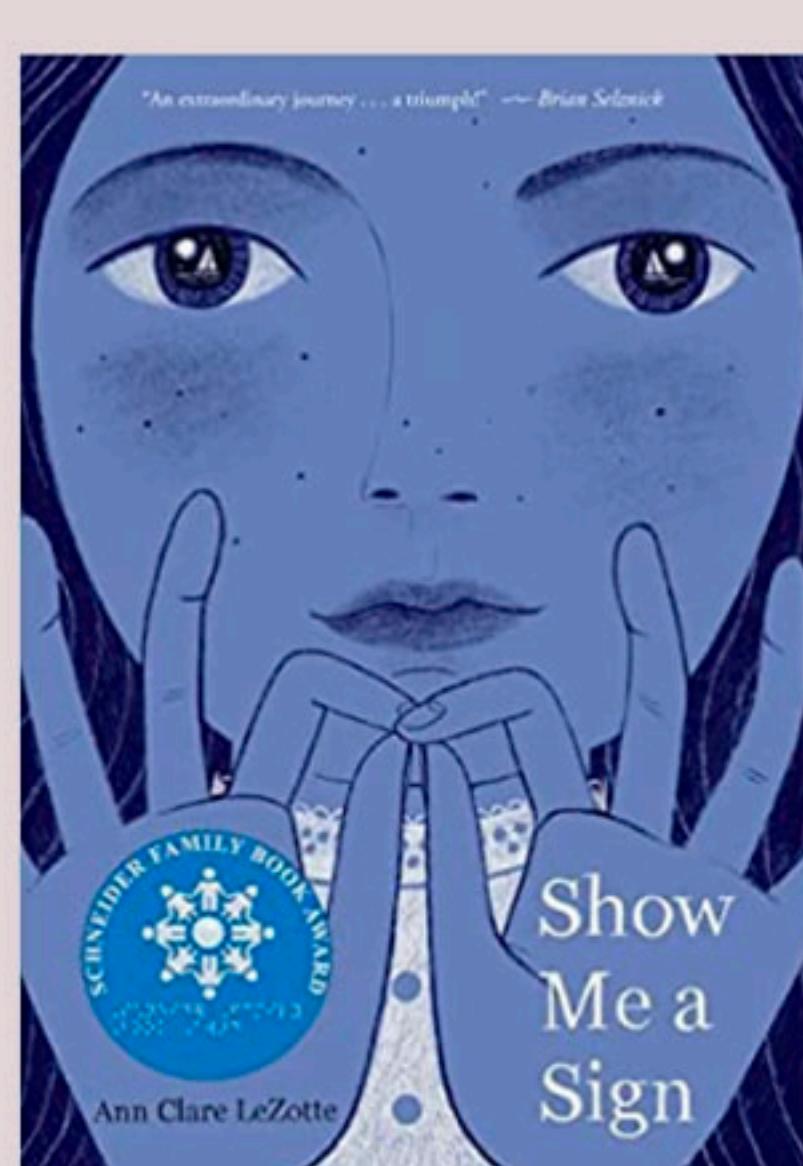

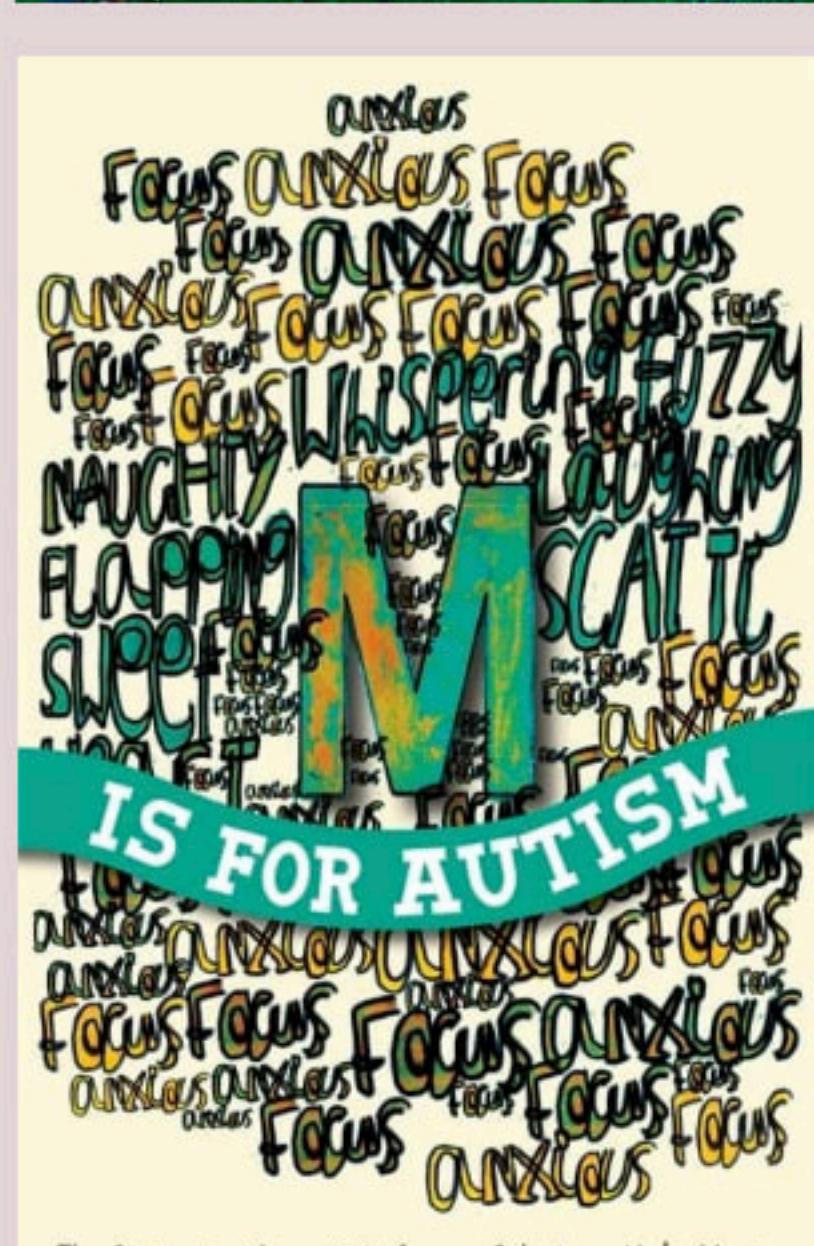

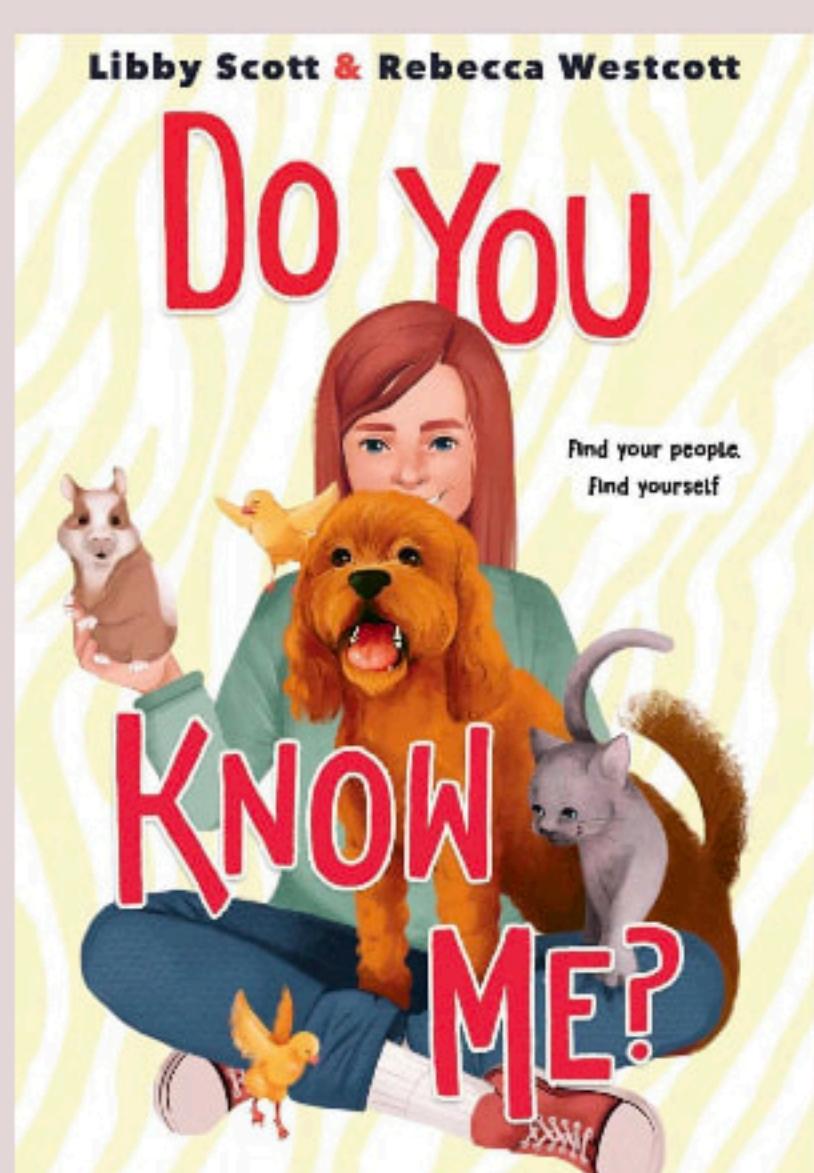

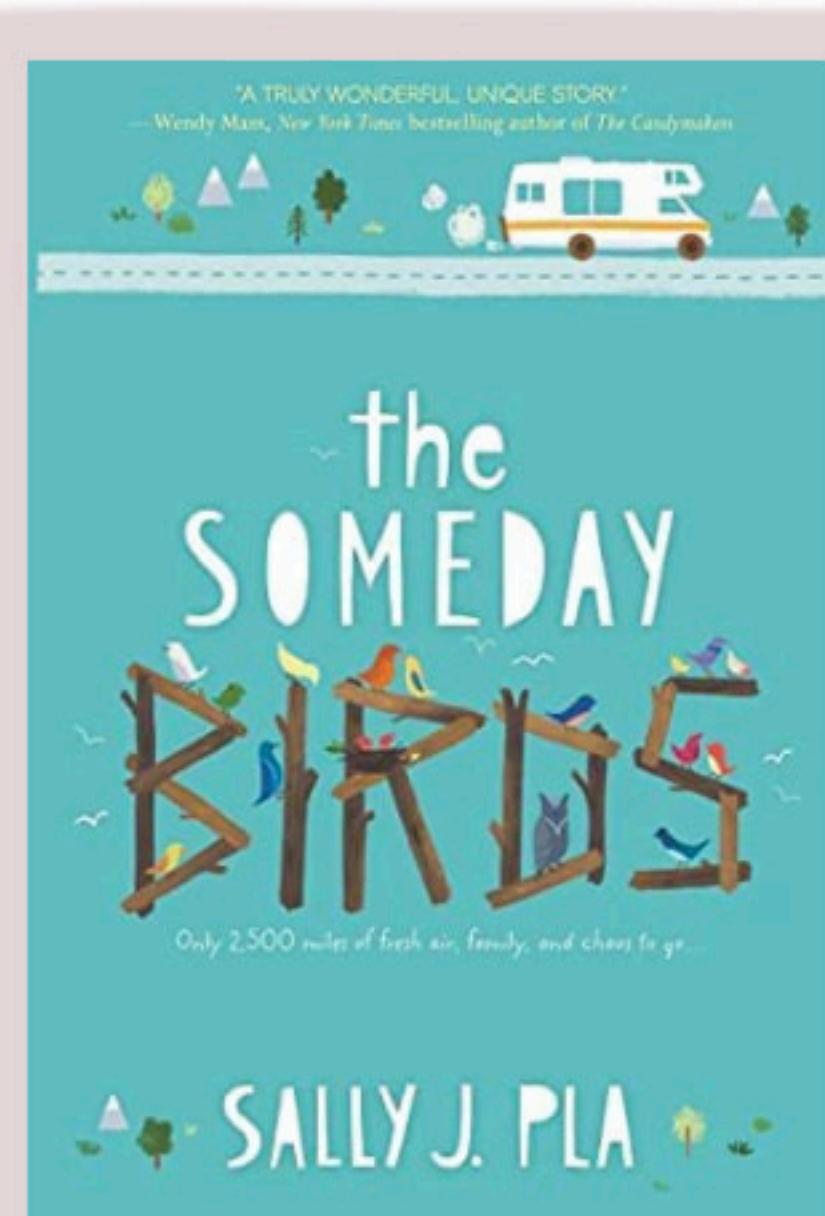

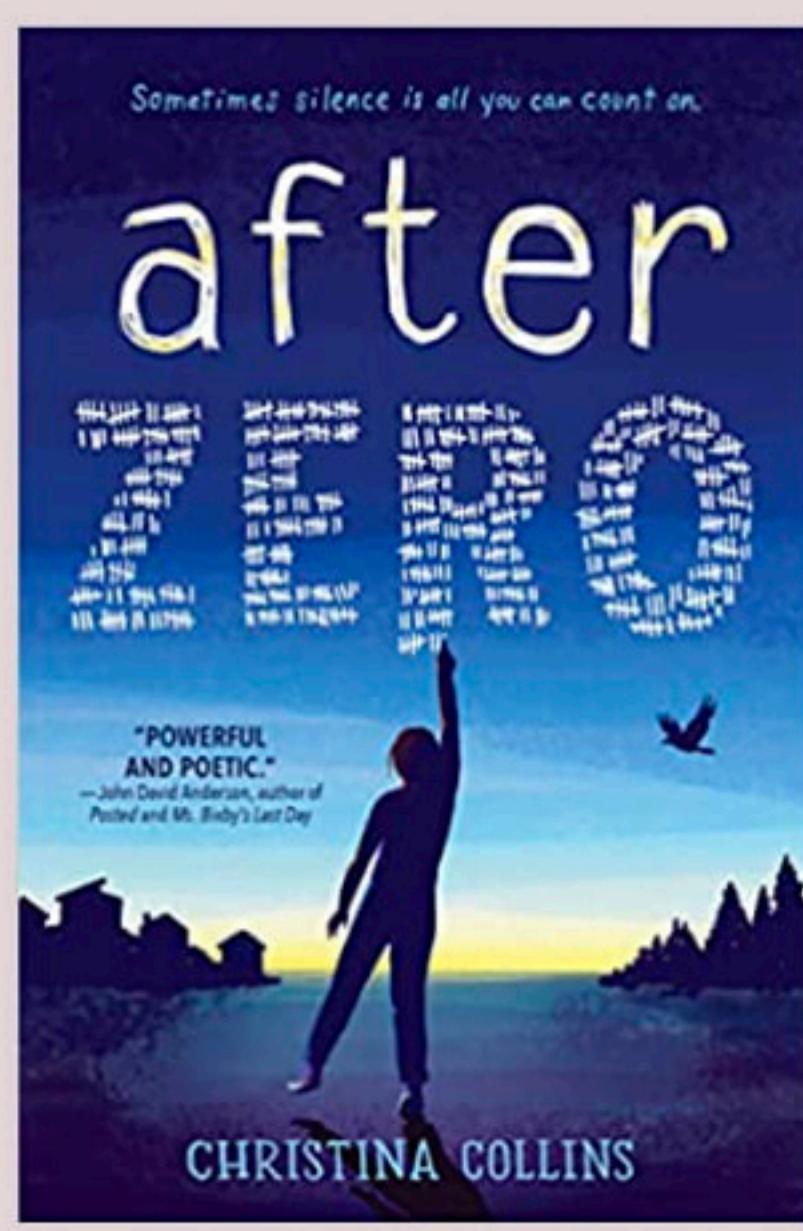

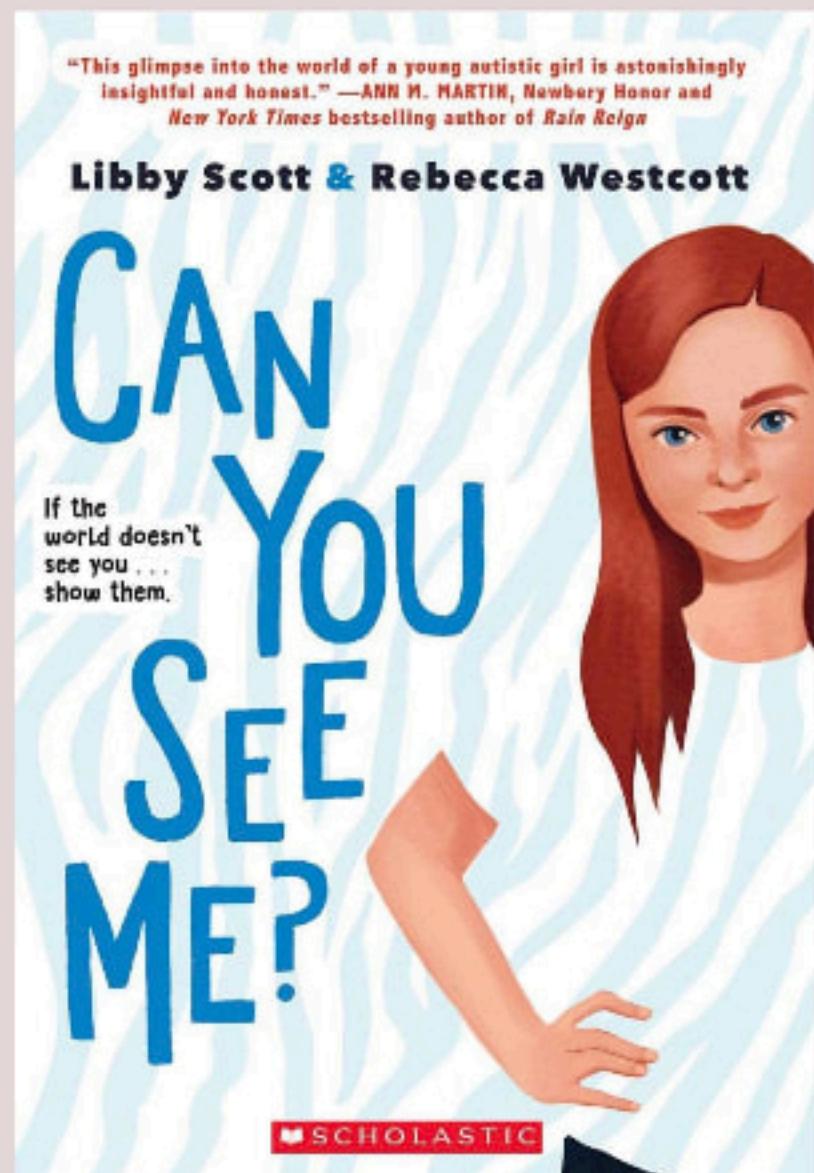

What is Neurodiversity?

Natural variations of the brain & nervous system, which result in authentic human diversity

#representationmatters

What is a Text Set?

A collection of texts organized for a specific purpose to develop knowledge in a concept, theme, or conceptual concept

Reflection:

How can you use these books to introduce, model & talk about themes like self-concept, acceptance, ableism, presumption of competence, value of differences, growth paradigm vs. deficit paradigm, diversity, strengths, inclusivity, implicit bias, discrimination, societal norms & stereotypes?

"Representation is about demanding that we're all seen and affirming that we all matter."
